# Memorandum.

Public Carriages within the Metropolitan and City Police Districts, together with their Drivers and Conductors, are licensed by the Commissioner of Police of the Metropolis.

A Hackney Carriage which is standing in any *public place* is deemed to be plying for hire, and the Driver is bound to accept a fare unless he prove he is already hired.

N.B.—A Driver is not compelled to accept a fare whilst on the premises of a railway company or other private property.

A Driver must, if so required, give to the hirer a ticket of fares, bearing on the obverse side the number of the Carriage with the name and address of the proprietor; and upon the reverse side the particulars as below:—

The hiring commences at the place from which a Hackney Carriage is engaged.

An agreement to pay more than the legal fare is not binding, and any excess fare paid is recoverable. If a Driver agree to carry at less than the legal fare, he cannot afterwards exact more.

A Driver may demand a deposit on being required to wait, and he is liable to a penalty if he does not wait the time covered by the deposit, or if he refuses to account for the deposit on being discharged.

No back fare is chargeable.

When a Hackney Carriage is drawn by two horses, an extra charge of one-third more fare is to be paid.

A Driver is not bound to accept a fare by time, between 8 p.m. and 6 a.m., and a hiring, unless agreed at the commencement to be by *time*, is considered to be by distance.

A Driver must, on demand, produce the book of distances provided by the Commissioner of Police; he must also wear his badge conspicuously, and produce it for inspection when required.

A Driver must drive at a reasonable speed, not less than six miles an hour, to any place ordered, provided the journey does not exceed six miles. When hired by time, he must drive for any time not exceeding one hour, but, in this case, he is not compelled to drive at a rate exceeding four miles per hour.

Any person hiring a Cab with intent to avoid payment, or not having paid the fare, refuses to give his correct name and address to the Driver, is liable to a fine or imprisonment.

The small number-plate inside, and the large plate outside, a Hackney Carriage bear the same number, and, on quoting the number, the address of the proprietor of the Carriage may be obtained from the Commissioner of Police.

### LOST PROPERTY.

All property left by a hirer in a Hackney Carriage must be deposited by the Driver within 24 hours at the nearest Police Station, from whence it is forwarded to the Lost Property Office, New Scotland Yard, S.W.

Property is restored to the owner between the hours of 10 and 5 o'clock, on payment of an award to the Driver at the rate of 3s. in the £1 on money, jewellery, and watches, and of 2s. 6d. in the £1 upon other property.

NOTE.—An Abstract of Laws relating to Proprietors, Drivers, and Conductors of Public Carriages, and also the Book of Distances are published by Messrs. Eyre & Spottiswoode, East Harding Street, E.C.

The DISTANCES stated in the following TABLES have been MEASURED by the AUTHORITY of the COMMISSIONER of POLICE of the METROPOLIS; and of the COMMISSIONER OF POLICE of the CITY OF LONDON.

METROPOLITAN POLICE OFFICE,  
NEW SCOTLAND YARD.

## ERRATA.

In consequence of recent alterations in the arrangement for Vehicles approaching and leaving Waterloo Station, the distance to the Main Line Booking Office is slightly increased in all Tables where the route is over Waterloo Bridge, Blackfriars Bridge, Southwark Bridge, or London Bridge.

“SURREY COMMERCIAL DOCKS, PLOUGH BRIDGE.”—73 yards should be *added* to the distance given in each Table to this point, in consequence of the Bridge and approaches thereto having recently been diverted.

These variations will only affect the fare payable in cases where the number of yards in the Table nearly approximates to a complete mile.

**DISTANCES** *to or from* **ADDISON ROAD STATION**, Russell Road,
